

ACT TEST PREP

The Salvation Army Red Shield Youth Center of Shreveport

We are excited to offer a comprehensive tutoring program designed to equip high school students with the fundamental skills necessary for success on the ACT exams. Our program focuses on building a strong academic foundation, ensuring students are well-prepared for these crucial standardized tests. We believe in empowering young minds to achieve their full potential, paving the way for future educational and career opportunities. Each session of our tutoring program spans 8 weeks, providing a consistent and structured learning environment. During this time, students will engage with experienced tutors who specialize in the core subjects tested on both the ACT. We utilize proven teaching methodologies and personalized instruction to address individual learning needs, helping students strengthen their understanding and boost their confidence. By focusing on fundamental skills and providing dedicated support, we aim to enhance students' test-taking abilities and open doors to higher education and military service. Join us at the Red Shield Youth Center and take the first step towards a brighter future!
