

# Afterschool Program

*The Salvation Army Red Shield Youth Center of Spartanburg*

## *Christ-centered afterschool care for K–8*

Looking for a safe, enriching place for your child after school? Our Christ-centered Afterschool Program runs Monday through Friday and serves students Kindergarten through 8th grade, offering families peace of mind and kids a place to grow, learn, and thrive.

Each afternoon is thoughtfully structured to support the whole child—mind, body, and spirit. Students enjoy a daily devotional, a healthy snack, homework help, and engaging structured activities, followed by supervised playtime in the gym or outdoors. With no screen time, children are encouraged to build creativity, confidence, friendships, and strong character in a positive, faith-filled environment.

Our caring staff creates a welcoming space where kids feel supported, valued, and excited to come each day. The program runs until 6:00 PM, making it a dependable option for working families. Students are picked up from school by bus and transported back to our center daily. For a list of schools currently served or additional details, please contact [peyton.sealy@uss.salvationarmy.org](mailto:peyton.sealy@uss.salvationarmy.org).

Cost: \$60 per week

An affordable, purposeful afterschool experience where faith, fun, and learning come together. Daily devotional, snack, homework help, structured activities, and screen-free play.
