2026-09-01 - 2026-06-05

Transportation:

South Penn Elementary School- Walk to pick up. We will use the vans to transport in cases of severe weather and temperatures .

ORIENTATION DETAILS:

During orientation, families will learn about daily schedules, transportation details, expectations, safety procedures, and how we work together to ensure every child has a positive experience. Parents will also meet our caring staff, explore available resources, learn how to communicate with our team, and review program policies.

We encourage families to stay engaged, ask questions, and participate in club events, fundraisers, service projects, and celebrations throughout the year. Together, we build a stronger community — one child at a time.

Preparation:**What to Bring:**

We ask all parents/guardians to bring their members insurance card and ensure they have a list of all necessary medications and updated phone numbers.
