

# PROGRAM SCHEDULES

The Salvation Army Red Shield Youth Center of Hagerstown

The Red Shield Youth Center in Hagerstown, Maryland, provides a safe, supportive, and engaging environment where children can learn, grow, and thrive. During the school year, our After School program runs weekdays from 2:30-6:30pm., offering academic support, recreational activities, arts and crafts, life-skills, and free meals for all participants. Each Monday evening, our character-building program gives children the opportunity to develop strong values, leadership skills, and a sense of community.

In the Summer months, we offer a summer day camp program filled with fun, learning, and friendship, as well as overnight camping experiences that help youth build confidence and lasting memories.

Through all our programs, the Red Shield Youth Center is committed to fostering the mental, emotional, and spiritual growth of every child who walks through our doors.
